## Controllers of Examinations Annual Report

Academic Year 2021-2022

- Our Institution has an exclusive web based Examination Management System (EMS) named as COXCO, which has been created and integrated with all necessary modules to conduct the Examination and process the results smoothly.
- At the beginning of the academic year, the Examination Cell collects student data and updates the data in the EMS software module.
- In accordance with College Academic Calendar, the Continuous Assessment Tests (CATs) are conducted to all UG and PG students each semester.
- There are three assessment tests in theory courses and at least one assessment test in practical courses, and the answer scripts are evaluated by internal faculty members. The total continuous assessment marks for each course are calculated based on the various components of the continuous evaluation process. Finally, individual faculty members enter the marks in EMS after due approval of the HODs.
- The end-semester examination schedule for practical examinations and project work viva-voce is prepared in time and external examiners are appointed from the panel of the examiners approved by Board of Studies (BoS) well in advance. The examinations are conducted by both internal and external faculty members and the marks are entered by the examiners into the EMS module.

- The schedule for end- semester theory examinations is prepared well in advance; both internal and external faculty members are appointed to carry out exam. Invigilation duty. Question papers are set and scrutinized by subject experts. Finally, the examinations are conducted smoothly without deviating from the instructions given by the authorities concerned.
- Objective type questions are introduced in theory course examinations.
- The BoS Chairman of each Department evaluates end-semester examination theory answer scripts, appointing 50% internal and 50% external evaluators, and entering the marks in the EMS module.
- The provisional results for odd semester (Nov. /Dec. 2021) were declared on 19.01.2022 (II, III and IV year UG Programs), 06.04.2022 (I year UG Programs and II year PG Programs) and 10.06.2022 (I year PG Programs).
